when they first met

Tiny slid through the fence and after walking for a while he seen real life forest cats ! One named Tiger Paw attacked him. Then out of nowhere a grey cat with darker spots on his pelt ran in front of tiny "Leave him alone!" The grey cat said "This is none of your concern Ash Kit!" Said Tiger Paw, but they left anyway. "Are you hurt?" Asked Ash Kit "N-No.." lied Tiny but he could tell Ash kit knew he was not telling the truth, "Are you sure? I can put some cobweb on your wounds I have seen the Medicine Cats do it a few times." Ash Kit persisted "Fine if you insist." Tiny finally gave in. After a while Tiny's wounds were healed and he headed to the city. A few moons later when Tiny, now Scourge hunted in the forest for extra pray,Ash Kit now Ash Fur seen him "Hey your in Thund-." Ash Fur paused when he figured out who he was. "Ashy, is that you?" Scourge asked walking closer to him, "Yes its me, and don't call me Ashy!... I guess I can let it slide this one time." Ash Fur said hugging Scourge, 'I missed you so much, I wonder when I can tell you....' Ash Fur thought secretly blushing, "How do you know this cat?" Said a cat Scourge did not know, "Uh....." Ash Fur stuttered, "I should go, shouldn't I?" Scourge looked at Ash Fur, "I guess..." Ash Fur looked down, "I'll miss you..." Ash Fur whispered to Scourge, "I will miss you too..." Scourge licked Ash Furs ear and walked away, "Who was that?" Bramble Claw asked, "An old friend.." Ash Fur replied, "A rouge? How do you know a rouge??" Bramble Claw asked, Ash Fur froze and ran to the camp and into his den and slept, "Hey Ash Fur why did you run yesterday?" Bramble Claw woke him, "I don't want to talk about it....." Ash Fur went silent Bramble Claw walked away. Ash Fur walked into the forest to see Scourge sitting by himself, 'I think he would enjoy some company..' Ash Fur thought, as he walked over to Scourge he heard a voice, "Ash Fur get back to-." It was Bramble Claw! "Ash Fur? Why are you out here?" Scourge was shocked he did not even smell Ash Fur, "To see you Scourge, your my friend and I wanted to see you again after so long." Ash Fur sat beside Scourge, "Heh, I guess I can respect that." Scourge sighed, "Ash Fur what are you doing with that rouge again?!" Bramble Claw said from the shadows, Ash Fur unsheathed

his claws and hissed, "What is the meaning of this Ash Fur?" Bramble Claw backed away, "Why do you think?! Your mate broke my heart! I thought I could trust you! Then you betrayed me!." Ash Fur shouted. Then Scourge seen cuts on his arms, then he ran to a near by tree and grabbed some cobweb, "Scourge? What are you doing?" Ash Fur asked, "What you did for me when we first met." Scourge said wrapping the cobweb around Ash Furs wounds. Bramble Claw walked away, Ash Fur guessed to tell Fire Star about what happened, "Where did these cuts come from?" Scourge asked, "I-I did it my self with mouse bones.." Ash Fur looked away with tears in his eyes, then Scourge licked Ash Furs cheek, "Everything is going to be fine Ashy." Scourge said, "Thank you Scourge." Ash Fur said and walked back to camp.

the depression

A few moons after the battle, Ash Fur took Scourges death hard, often visiting his dead body to mourn. After Squirrel Fight broke up with him, he became depressed about everything. Even cutting himself with bones from the prey he ate. Then he got an idea, he got Scourge's body and took it to the Moon Stone "Dear Star Clan please give Scourge his nine lives I know he has done horrible things but he deserves this, and I am willing to **fight** anybody who denies him." preyed Ash Fur. After the night Ash Fur slept next to Scourge who just opened his eyes, "Where am I?" Scourge looked around, He seen Ash Fur. They were both awake now "You are alive!? Thank Star Clan!" Scourge blushed, They both left and went there own ways. They both thought, 'I have to tell you soon... I hope that soon will come.' Scourge ran to catch Ash Fur, "Wait!" Scourge called to Ash Fur, "Huh? What is it?" Ash Fur asked, "Thank you, I wanted to ask would you like to hang out some time?" Scourge wanted to do anything to see Ash Fur, "Of course! We can hang out every moon, I can make my way out of the gathering there are enough cats that go there anyway." Ash Fur answered, Scourge nodded Then they finally went there own way both blushing. Ash Fur walked back to camp, "Where have you been?" Bramble Claw asked, "I was with, you know who.." Ash Fur went to his den and sat down outside of it and kept thinking of Scourge as his mate, "Ugh why am I think of him like that?" He said out loud, then he remembered the cobweb, "Did Leaf Pool put some cobweb on your wounds?" Cinder Pelt asked, "Think Blood Clans leader..." Ash Fur did not care if people knew his secret, "S-Scourge? Scourge put cobweb on your wounds? Your kidding..." Cinder Pelt looked as Ash Fur shook his head, "What were you thinking?" Cinder Pelt was shocked, "I did the same for him a long time ago before he was in Blood Clan." Ash Fur told her, "That's crazy! Hes a murderer!" Cinder Pelt stood up in shock, "No hes not! Hes a nice cat and... I would do anything thing for him...." Ash Fur looked at Cinder Pelts eyes to find shock, "Do what ever you want just wait until your

killed!" Cinder Pelt sassed, "Ha! Nice joke, but Scourge is not who you think he is Ms. Dramatic." Ash Fur bounced back, then he went into his den and slept.

the suicide

The fire happened not very long ago, Ash Fur felt more despair filled every day. One day he was in a patrol with Squirrel Flight and Bramble Claw and Squirrel Flight started bullying Ash Fur " You are you worst mate ever!" Squirrel Flight often said, or some times she said, "You are nothing I wish you died in that fire!!" Then Ash Fur one day on a patrol took these words for real and stood on the edge of a Thunder Path and jumped in the middle of it but then a black figure with a purple collar jumped in front of him **Scourge!**

Fire Star was one of the cats that seen "Scourge! What are you doing here!?" Fire Star growled. Scourge did not reply but he listened to Ash Furs heart, "Thank goodness, hes only asleep." Scourge sighed "Why do you care about him Scourge!." Fire Star went on, "Your a rouge you should have no care for him! You are a **heartless monster!**" Fire Star yelled. a'You want the truth huh?" Scourge said in a sad, true tone, "Fine, when I was a kit, before I was in Blood Clan I was attacked by Tiger Paw, and Ash Fur.... he... he saved me." Scourge glanced at Ash Fur's sleeping body, and continued on, "Without him I would not even be alive." Scourge finished with a small tear in his eye refusing to fall down his face, "May I ask why did you run away in the first place?" Fire Star asked, "My siblings hated me, I just wanted them to like me!" The tears in Scourge's eyes finally trickled down his face "I just wanted to be loved by anybody in some way! I-I did not even let them into Blood Clan! I wish I went back and say I regret everything!" His words were lost in tears. Then a black and white figure was in the forest near it was black and white It was **Socks.**

the confession

Scourge nearly did not know the scent of his brother, the Socks walked up closer to Scourge. "T- I mean Scourge? Is that you?" Scourge's ear twitched more tears fell down his face "Socks?" Scourge ran to Socks touching his face to his shoulder "What is this about Scourge?" Socks said shocked "I am sorry for every thing! I just want to have a normal life I am sorry for every thing I have done I.. I wish I could have told you sooner I am so sorry socks." Scourge sorrowed, "Shh it's fine brother I forgive you." Socks said " R-really?" Scourge was confused "Yes I do and I mean it." Socks said clearing up Scourge's question's. "I should check on Ash Fur." scourge said just remembering, he walked over to Ash Fur's sleeping body Scourge nudged him "Who's there?" Ash Fur said opening his eyes, " Its me Scourge." Scourge said wrapping his tail carefully around Ash Fur "Scourge can I speak with you alone please?" Ash fur asked, "Of course." Scourge said flicking his tail to say for Socks to go away for a bit. They walked into the forest "So what did you wanna say?" Scourge questioned 'Is this what I think it is?' Scourge thought, "W-well I just wanna say, ever since we first met all those moons ago I-I-I just really like you and I was just wondering if we could possibly-" Ash Fur was cut off "You want to be my mate?" Scourge said already knowing his answer, "Yes that would be-" Again Ash Fur was cut off, Scourge kissed Ash Fur, first this was a shock then slowly Ash Fur closed his eyes enjoying every moment of the kiss, but in the mist Squirrel Flight seen the whole thing, "How dare you Ash Fur!"

the truth

After a while Ash Fur went back to camp Squirrel Flight was already there talking to her father, Fire Star. Ash Fur did not make anything of it a little while after Fire Star came up to Ash Fur "Ash Fur we need to talk now!" Fire Star said mad about what he was just told from his daughter, "Sure.." Ash Fur's voice sounding nervous 'Did he know?' Ash Fur thought, they walked to Fire Star's den "What do you want to talk about?" Ash Fur questioned, "I have had word that you were talking to Scourge. Why?" Fire Star waited for a reply, 'He does know I cant just not answer though.' Ash Fur thought quick "Fire Star I want to speak and please do not say anything until I finish." Ash Fur said with a serious tone, Fire Star nodded for him to go on, "The reason Scourge is alive is... is because I took him to the Moon Stone, Until yesterday I have not seen him for moons" Ash fur lied about the moons part, he seen Scourge every moon after all, "I think he told you everything and every time he is near I don't know how to handle it he is not a bad cat. Hes really not, kick me out of the camp all you want, but you cant stop who I have feelings towards Fire Star." Ash Fur finished "If you feel that way Ash Fur, you may stay in camp but not without punishment, you will put new moss in the elder and queen dens, but you can still see him. Is that understood?" Fire Star asked "Yes, also Star Clan told me something about you and Scourge." Ash Fur said. "What is it?" Fire Star asked "they said that "**The forces of blood and thunder will come together and forgive.**"

the fight

In camp Squirrel Flight Fought with Ash fur and After a while it stopped and Scourge was waiting out of camp "You ready to run away forever?"Scourge asked, "Yes." Ash Fur said and they went to Four Trees and found a hallowed out tree and they slept there for the night as close to each other as they could possibly be. In the morning Ash Fur was the first one awake but Scourge woke not very long after, they kissed each other when they were done they ate an adder Scourge caught. They, unknown to Scourge went near to Barely's barn. "Hey where are we heading to Ash Fur?" Scourge asked, "Barely's barn." Ash Fur answered, and Scourge froze, "We can't he was an old Blood Clan cat but I kicked him out!" Scourge feared "Everything's going to be fine Scourge I know it and so do you." Ash Fur gave him a light kiss on the cheek, "Fine I trust you, we need to be careful though." Scourge blushing from the kiss, "I already planned to!"Ash Fur said playfully. Then they arrived at the barn!

barely

They went into the barn when Raven Paw and Barely were out they went into the barn and climbed the ladder to get to a higher part of the barn, "We need to be careful Scourge we don't know when there coming back." Ash Fur whispered, Scourge only nodded. They found a corner covered by stacks of hay they checked it for rats then Ash Fur quickly got some moss that was growing on the side of the barn. They used it for bedding and went to sleep. The next morning they woke to the scent of Raven Paw and Barely very, very close to them, thinking quick Scourge sat in front of Ash Fur "S-Scourge?" Ash Fur was scared for himself and his mate. After a while Scourge whispered "I said I would put my life on the line for you right? I keep my word, Ash Fur." Ash Fur wanted to cry but was to scared to. Barely and Raven Paw soon were getting way to close to the hay stack they were in Scourge had his claws unsheathed already, while Ash Fur was looking at where he cut himself with the bones 'If Scourge dies its all his fault!' Ash Fur was crying on the inside, he didn't want Scourge to die!! Finally Ash Fur unsheathed his claws but soon sheathed them, he wasn't wanting a fight 'I'm gonna die useless any ways why fight?' He thought to himself, his depression coming back to haunt him. Barely and Raven Paw found them at the worst time, Scourge was trying to calm Ash Fur down from what just happened, rubbing his tail against Ash Furs pelt. "What are you doing here Scourge!!!" Barely finally said when he seen them "And with Ash Fur might I add!" Raven Paw added, Ash Fur froze up 'This is all your fault this is all your fault! If your mate dies its your fault!!' Ash Fur thought, as if Scourge read his mind Scourge stood up, "We are just staying the night Barely Ash Fur was

just exiled from Thunder Clan and on top of that I figured out me being leader of Blood Clan was just a waste because the reason I was leader was a total lie!" Scourge argued "May I Know what this reason is?" Barely asked, "My brother after so many years of thinking he hated me and thinking he was dead wasn't and all I thought wasn't true! They never hated me they thought I was more loved then they were!" Scourge vented, "Sorry I'm just mad at all that's happening." Scourge sighed "So the only reason you were leader was because of your siblings, and some how this relates to Ash Fur!" Barely was angry that Scourge's whole leadership was a lie "It does, I saved him a longtime ago,when I was a kit Tiger Paw was attacking Scourge and I stepped in." Ash Fur said Scourge lightly blushed

the mountains

"Oh really? I didn't know a clan cat was so close to a rouge!" Raven Paw said still mad. Then Ash Fur and Scourge just left. Then they went to Wind Clan territory, almost like Wind Clan knew they were coming, they were stopped by a patrol lead by Tall Star (Hes still young in this) "Ash Fur how dare you trespass-." He stopped when he seen him with Scourge, "What do you think your doing with him!?" Tall Star was mad and confused "Yea I'm not dealing with this twice today." Scourge said "Get out of are territory." Said Dead Foot, "Gladly." Ash Fur hissed. Scourge and Ash Fur ran towards the mountains. Eventually they found a small cave the sleep in for the night, and Scourge had a dream of his mother here's how it went "Who's there?" Scourge said "It's me Quince your mother." Quince's spirit said, "You will meet with some cats you never imagined." Quince continued "Wait what?!" Scourge said and Quince started to fade away then soon he was awake. He seen Fire Star outside of the cave arguing with Ash Fur, Scourge ran to Ash Furs side "Well Scourge time to-." Fire Star was cut off by Tall Star and Jake Fire Stars father! Tall Star said, "I cant stand and watch you kill your own brother Fire Star." Tall Star said bluntly "My what!?!" Fire Star didn't understand, "Tall Star is right hes your half brother." Jake backed Tall Star up, "No hes not!" Fire Star didn't believe what he was hearing "Look at Squirrel Flights paw why do you think its white like Scourges??" Tall Star asked, "He is right, when I was at the moon stone your 'Star Clan' told me all of this." Scourge stepped in. Fire Star just walked away defeated.

trouble part 1

After all that they went back to there little cave and slept longer. They woke up and walked up to the top of the mountain, a hawk circled above them,"Scourge there's a hawk right above us!" Ash Fur was scared, then Scourge leaped into the air and slit its neck, making the hawk fall to the ground. "Thanks for telling me now you actually have something good to eat." Scourge said proudly dragging the hawk to a hallow tree where they would spent the night, "You've ate hawk before?" Ash Fur asked, "I've had it sometimes, they flew above Blood Clan from time to time." Scourge said taking a bite of it "You gonna eat or what??" Scourge said with his mouth full, "Of course I am!" Ash Fur said as he sat down to take a bite of it. After that they fell asleep, in the morning there was a tall shadow in front of Scourge, it was **Bone** "What are you doing here?" Scourge was confused he thought Bone thought he was dead, at this time Ash Fur just woke up, "What is going on?" Ash Fur looked at Bone, "Why is there a clan cat with you?!" Bone was mad, "You ask questions later, what do you want!" Scourge was mad and confused "Blood Clan was worried about you." Bone explained "Well I am **not** Blood Clan's leader now! My loyalty lies with Ash Fur now." Scourge said calmly, "Traitor!" Bone was furious, "Scourge you don't have to stick up for me." Ash Fur said, his depression coming back again, "I do I love you I vowed to always protect you no matter what." Scourge said nuzzling Ash Furs face to try and relax him, Bone thought, 'You shouldn't be mad, if Scourge is happy then so be it.' Then Bone left them alone finally. Little did they know the clan would travel there a few days later.

trouble part 2

For the next couple days they just relaxed, they ate, slept and kissed of course. A few days later though.... the four clans arrived at the mountains to live, when they first arrived they didn't see Ash Fur and Scourge but Ash Fur and Scourge seen them, "W-what do we do?" Ash Fur was super scared, "We stay as hidden and quite as possible." Scourge answered. They already ate that day so they went to sleep they stayed in a corner of the hallow tree so they couldn't be seen as easily, in the morning how ever a patrol found them and Ash Fur just woke up "Huh? Ah!" Ash Fur was scared the thought about this for a second 'I cant let Scourge keep standing up for me, I cant let him be my voice I need to defend my self every now and again.' Ash Fur closed his eyes and sighed and then spoke, "What do you want?" Ash Fur said trying to be calm "Uh.." Leaf Paw was among the cats in the patrol, but Ash Fur didn't really hate Leaf Paw very much. Then Cinder Pelt spoke, "I could ask what are you doing in the mountains!?" "Why would you care?" Ash Fur was getting mad but he couldn't let his depression get to him now "You are still a threat to us!" Cinder Pelt answered, "Fine, well just leave me and Scourge alone then we wont be a 'Threat'." Ash Fur said in a snarky yet serious tone. The patrol left Ash Fur guessed to tell Fire Star about what just went down. Ash Fur went out to hunt while Scourge was still asleep. He caught a hawk for the both of them and when Ash Fur returned Scourge was awake, "Where have you been?" Scourge asked, "Hunting, and guess who visited." Ash Fur said, "Who?" Scourge asked, "A patrol with all the medicine cats and they said we were threats and I just told them to leave us alone and we wont be a threat." Ash Fur took a bite out of the hawk and so did Scourge then after a while they finished the hawk and went to sleep.

The apology

The next morning Scourge and Ash Fur went exploring looking for water, herbs, pray and stuff like that but unlucky for them they unknowingly wondered into Thunder Clan territory and got caught by a patrol with Fire Star in it, "Fire Star! Ash Fur and Scourge are in are territory!!" Said Bramble Claw who was among the patrol, "Its fine Bramble Claw I just need to speak with Scourge." Fire Star said, "What?!?!" Scourge and Ash Fur said at the same time, "Ugh fine." Scourge said rolling his eyes and then flicked his tail to a hollowed tree for Ash Fur to go in, "What do you want?" Scourge said in his best calm voice he could muster "I went to the Moon Pool to speak with Star Clan, and I to had the prophecy and I forgive you." Fire Star said, "I do to." Scourge lied but enough for Fire Star believed it but Ash Fur didn't of course because he always could tell when Scourge was telling a lie or the truth. Scourge walked to the tree and sat down "How did that go?" Ash Fur asked trying to ease the tenseness, "Fire Star came to me for an apology but of course I lied and said I was sorry to but he believed me so..." Scourge explained Ash Fur had to admit Scourge did tell good lies but Ash Fur again could tell Scourge's lies from truths "I'm getting kinda hungry i'm gonna go catch something." Ash Fur said then a little while later came back with a big, fat hawk "Dig in!" Ash Fur said and put the hawk down and him and Scourge ate, while they ate they unknowingly bit onto bit onto opposite sides of the same part of meat from the hawk and when they bit into it, it turned into a kiss, "Sorry!!" Ash Fur said blushing "Don't be." Scourge said kissing Ash Fur on the lips, Ash Fur closed his eyes. After the kiss they slept and when Ash Fur found that in his sleep position he was kissing Scourge. When Scourge woke up, he notice this but stayed in the position 'I love you so much Ash Fur.'

the fever

They woke up from sleeping and Ash Fur noticed Scourge went back to sleep and was kinda warm "Scourge? Do you feel well your kinda running a fever.." Ash Fur asked with his tail up to Scourges head, Scourge just got hotter and hotter. Ash Fur carried Scourge to the lake. He grabbed some moss from a rock and dipped in in water he put the wet moss on Scourges head, holding it on his tail, "Please get well Scourge." Ash Fur said and watched Scourge twitch his tail, Ash Fur blushed a bit while he got to moss wet again,Ash Fur thought 'I know there's a herb for head aces but what did it look like? What did it smell like? Finally does it grow in the mountains?' Ash Fur thought.... "Fever few!" Ash Fur said out loud. He went out to look for it and found some, Ash Fur force fed the fever few to Scourge, "Huh?" Scourge finally woke up, "What happened?" Scourge was confused why they were at a lake, "Your'e awake good." Ash Fur put his tail on Scourge's head to check his fever, "Why are you feeling my head?" Scourge asked, "You had a fever, and you still kinda do though." Ash Fur said wetting the moss and holding it to Scourge's head Scourge blushed it was unnoticeable though because Scourge's face was already red from his fever, "How did you know what to do Ash Fur?" Scourge wanted to know, "Oh I guess since Squirrel Flights sister was a medicine cat that stuff just comes to mind quicker." Ash Fur replied feeling Scourge's head again "Your fever is gone finally." Ash Fur kissed Scourge after he said that. After wards they walked back to the tree and slept and cuddled close together secretly Leaf Paw now Leaf Pool was watching the two at the pool, "Thank goodness he knew what he was doing." Leaf Pool sighed and went back to the Thunder Clan camp to report what he just seen to Cinder Pelt

fire star again...

Ash Fur and Scourge slept in a little, Ash Fur was the first one up again and checked Scourges head for a fever, "Good you don't have a fever this morning." Ash Fur whispered to himself, Ash Fur went hunting and caught a fish to his shock. He went back to the tree, "Scourge get up or this fish is gonna go bad!" Ash Fur said trying to wake Scourge and he did, "You caught a fish?" Scourge looked at the fish, "I haven't had fish before.." Scourge admitted "I have had it a few times when somebody stole prey from another clan or something." Ash Fur replied They ate and went to sleep. Scourge was the first one up today and went hunting, and seen Fire Star, "What do you want?" Scourge knew something was up, "Oh nothing i'm just catching prey with a patrol..." Fire Star said 'His tone was sadder then usual...' Scourge thought "Something wrong?" Scourge said he knew Fire Star was an enemy but he couldn't just watch his kin be like this,"I just miss a good friend of mine..." Fire star hesitated to reply, "If its not to personal may I ask who?" Scourge wanted to know because he may see this cat and he would want Fire Star too know, "His name is Gray Stripe." Fire Star answered, "What does he look like? In case I see him."Scourge asked "Hes grey with a darker grey stripe down his back and he has yellow eyes... Hawk!" Fire Star said as he seen a hawk above them, Scourge leaped up and bit its neck sending the hawk falling to the ground, "That was easy." Scourge said, "How do you know how to catch hawks?" Fire Star wanted to know, "They flew above Blood Clan from time to time." Scourge put simply picking up the hawk, he walked back to the tree.

gray stripe

After Scourge and Ash Fur ate they went to sleep, Scourge was the first one up in the morning so he decided to sit outside for a bit then he seen a cat fitting Fire Stars description, "That must be Gray stripe." Scourge said to himself and walked to Gray Stripe he seen a kitty pet at Gray Stripes side. Then Gray Stripe finally noticed Scourge, "Millie get back!" Gray Stripe said growling at Scourge, "You are not welcome here Scourge!" Gray Stripe said, "Listen I am not looking for a fight Fire Star just told me he was looking for you." Scourge explained, "Why would he tell you of all cats your the enemy-" Gray Stripe was cut off, "Well I don't feel like hearing that again today! I don't want to hear about how horrible of a cat I am or if i'm a m-monster..." Scourge said tears in his eyes, "My siblings were right, I'm weak I'm small I'm the worst cat ever.." Scourge said the rest in tears, "Hey leave my mate alone!", "Ash Fur!" Scourge said as Ash Fur ran to his side, " Ash Fur!" Gray Stripe was shocked, "Listen Fire Star told me about you because hes my brother and I didn't want to see him sad, I didn't want to fail being a sibling a second time.... " Scourge said Ash Fur was wiping Scourges tears with his tail, "I can tell no wonder Squirrel Paw's paw is white like yours." Gray Stripe figured out, "H-her name is S-Squirrel Flight now.. " Ash Furs depression coming back to him just at the thought of Squirrel Flight. Scourge could tell, "Shh It's gonna be fine Ash Fur." Scourge said comfortingly to Ash Fur, "Thank you Scourge." Ash Fur said blushing, "One final question where is Thunder Clan camp?" Gray Stripe asked, " Its over that way." Scourge answered pointing his tail, Not even going back to the tree Scourge Kissed Ash Fur not even caring that Gray Stripe and Millie were right there "What the!" Gray Stripe unsheathed his claws to only be stopped by Millie, "If they love each other then let them be." Millie said and then they headed for the camp, Fire Star was talking to Squirrel Flight and Bramble Claw, "Gray Stripe!"fire Star ran to his friend the minute he seen him, "How did you know where camp was?" Fire Star asked, " Your brother told me." Gray Stripe answered, "He told you about that." Fire star was confused, "Questions." Gray Stripe put bluntly. Back to Ash Fur and Scourge they caught some fish and

slept at the place they kissed at.

socks returns

In the morning Ash Fur woke up first and went to catch some pray and got some moss so she could dip it in water and then him and Scourge could have something to drink (This is after Hawk Frost's death) Ash Fur grabbed the moss and went to the river, "Ah! What happened!? Why is the river all **bloody?!**" Ash Fur jumped back quickly and tried to remember where another source of water was, then he seen some other cats, **River Clan** why were they there was the cause of this from one of them Ash Fur wanted to know more so she walked up to the River Clan cats, "Hey why is the river all red? Also do you know where else I could get water around here?" Ash Fur asked, One of those cats was Moth Wing, "Hawk Frost is dead and we are going to mourn him he died in that river." Moth Wing answered, "What are you doing out here though?" Moth Wing questioned, "I don't want to really answer that right now sorry." Ash Fur didn't trust Moth Wing enough to say why, "Oh I understand the nearest body of water is up north a ways." Moth Wing pointed her tail towards the water Ash Fur already seen it "Thanks." Ash Fur headed that way and got some water then headed back to where Ash Fur and Scourge were sleeping, "Where were you I was worried!" Scourge said running up to hug Ash Fur, "I was stuck talking to Moth Wing." Ash Fur answered, Then they sat down and ate and drank the water Ash Fur got Then they went for a walk They seen a few Thunder Clan patrols but the patrols didn't bother them then they went to a edge of the mountain and looked at the view, "Its beautiful." Ash Fur said, "Your better though." Scourge said and kissed Ash Fur on the cheek. Then they seen something climbing up the mountain it was a black and white figure it wasn't Bone but it was **Socks** and Scourge and Ash Fur seen him, "Is that Socks?" Ash Fur said pointing his tail in to Socks who looked weak, "It is! I can help him you need to go get a medicine cat or something!" Scourge said rushing down the mountain to help his brother, Ash Fur ran to the Thunder Clan camp, "Fire Star!" Ash Fur shouted, "Ash Fur whats wrong?" Fire Star came out of his den, "It's Socks hes hurt badly Scourge is helping him up the mountain he needs a medicine cat!"Ash Fur explained, at that time Cinder Pelt

and Leaf Pool (Don't hate I forgot if Cinder Pelt was alive when Hawk Frost died) "Whats wrong I heard somebody was hurt." Leaf Pool said, "Yes fallow me!" Ash Fur said as he lead the two medicine cats to were he seen Socks and Scourge and Socks were already, "Scourge I'm back and I brought some medicine cats to help like you said." Ash Fur said and ran over to Scourge. After a while the medicine finished helping Socks and went to camp, "Wait." Socks said, "Huh? What is it?" Leaf Pool said, "Isn't your leader named Fire Star?" Socks asked "Yes,why?" Leaf Pool asked "I need to speak to him if that's fine." Socks answered, "Fallow me to are camp then." Leaf Pool said leading Socks to the camp then Scourge and Ash Fur went back to the hallow tree and slept.

Scourges collar

Ash Fur woke up, "I should go hunt since Scourge is still sleeping." Ash Fur did just that and ran into Squirrel Flight, "Now if it isn't the mouse brain who left the clans to be with a killer!" Squirrel Flight mocked, "He is not a killer! Now leave me alone!" Ash Fur was mad, "What did you just say?" Squirrel Flight was shocked, little did they know Leaf Pool was listening to everything, "Hes right Squirrel Flight its not right to be mean to somebody just for there choices in life." Leaf Pool came out of the shadows," May Star Clan light your path, Ash Fur." Leaf Pool dipped her head in respect, because Ash Fur reminded her of Crow Feather, "Thank you Leaf Pool." Ash Fur gave a nod and picked up a hawk he caught, "Here take it to the clan, I can always catch another." Ash Fur gave Leaf Pool the hawk,"You sure your'e gonna let me have this??" Leaf Pool was hesitating,"Yes i'm sure." Ash Fur answered, Leaf Pool picked up the hawk and took it back to camp, then Ash Fur caught another hawk easily and went back to the hallow tree to sleep, In the morning he seen tears in Scourges eyes, "Is everything alright?" Ash Fur was worried, "Remove my collar please." Scourge said bluntly, "What why?" Ash Fur was both worried and shocked, "Please Ash Fur, I never even wanted this collar you know that." Scourge looked at the ground, "Fine, I will remove it." Ash Fur knew how much Scourge hated that collar, after a while he got it off and Scourge went to sleep, his neck free of his collar, but Ash Fur buried Scourges collar in case he lost his nine lives he would have something to remind Ash Fur of Scourge.

Barley returns

Scourge and Ash Fur sat at the mountain peak and looked out to the sky, then they heard, "Help Raven Paw is dead!" It was a familiar voice "**Barley!**" Scourge rushed down the mountain to help Barley to the top, "Are you OK? Scourge asked, "N-no..." Barley said crying, "After you left I told Raven Paw I loved him a-and, what am I gonna do now?" Barely cried, "It's OK it's my fault anyway.." Scourge looked down, "What do you mean?" Barely looked at him, "Think about it Barley it was Blood Clan who wanted to kill you and sent you to that barn if that wouldn't have went like that, you wouldn't be here...." Scourge's voice trailed off, "No its not if that wouldn't have all happened you wouldn't be with Ash Fur and you wouldn't be as happy as you are." Barley explained, "Your'e right." Scourge looked up and they were finally at the top of the mountain, Ash Fur must have fetched Fire Star because Ash Fur came back with the Thunder Clan leader, "Barley what happened?" Fire Star asked, "Raven Paw died, he died in his sleep." Barley said, "Oh i'm so sorry!" Fire Star stepped forward, "It's fine but could I stay with you, in Thunder Clan?" Barley asked, "Of course!" Fire Star lead him to the Thunder Clan camp, "May Star Clan light your path Barley." Scourge said, "You too!" Barley said back.

Nightmares

Ash Fur was sleeping then he had a nightmare it went like this, "Hello?" Ash Fur didn't get an answer but all he heard was cats screaming in pain, "Monster!" Or they would say "Killer!" Then Ash Fur woke up and started crying Scourge was out hunting and then he came back to see Ash Fur crying, "Ash Fur! What happened?" Scourge ran to Ash Furs side and dropped the prey he caught, "I had a nightmare they kept calling me a killer and a -m-m-monster." Ash Fur sobbed, then Scourge petted him with his tail and licked Ash Furs ear, "It's gonna be OK, as long as i'm here, nothing can hurt you." Scourge kept petting Ash Fur with his tail until Ash Fur was relaxed and went back to sleep, "I love you." Scourge kissed Ash Fur on the cheek and went to sleep, his tail still on Ash Furs back. Scourge also had a nightmare, Ash Furs paws kept getting cold and a cat said, "You cant stop it you must face it." Then Scourge woke up his face was paler then normal, "Scourge something wrong?" Ash Fur asked, "N-no everything's f-f-fine...." Scourge lied, "No its not, I can tell, whats wrong please tell me, I hate seeing you like this." Ash Fur petted Scourge the same way Scourge did to Ash Fur the night before, "I had a nightmare, your paws kept getting colder and colder and a voice said, 'You cant stop it you must face it.'." Scourge lied his head into his paws, then Ash Fur licked Scourges cheek, "Thank you for keeping my paws and heart warm, Scourge. I love you." Ash Fur kissed Scourge on the cheek, "I'm gonna hunt." Ash Fur said and got up, then a while later, came back with a rabbit, "Eat up." Ash Fur put the rabbit down and took a bite out of it, Scourge did the same, "Thank you Ash Fur." Scourge said as he ate, "Why do you say that?" Ash Fur asked, "You have always been there for me, I love you so much, your the best cat I know." Scourge glanced at Ash Fur who was blushing hard, then Ash Fur nuzzled Scourges cheek, "I love you too." Ash Fur said him and Scourge lied down. After Scourge was asleep Ash Fur put his head on Scourges back and slept. /\/\\/\/\/\/\/\/\/////\//\\///\/\\/\\/\/\ \/\/\\/\\/\/\/\/\\/\/\/\\/\/\/\/\/\/\/\\/\/\\/\/\/\//\/ \/\//\ Sorry this is so short :(Please comment so I know if you like

Going to a gathering

Scourge woke up from sleeping, and looked at Ash Fur, yesterday was crazy, Ash Fur woke up not long after, "Wait, do you know what tonight is?" Ash Fur looked at Scourge, "No? What is tonight?" Scourge asked, "Tonight's the full moon, I kinda wanna try to go to the gathering. I can't remember when the last gathering I went to was." Ash Fur stretched, "We can try to go all four clans show up right?" Scourge heard about what gatherings were cause Ash Fur spoke of them but he had never been to one himself, let alone with Ash Fur, "Yes." Ash Fur answered, "Then it wont be hard to find a place to hide where we can still hear what were saying." Scourge said, "I'm gonna go hunting, maybe we wont be having hawk tonight like always." Ash Fur joked, "Yeah we have to many hawks I don't even know how we don't have wings right now." Scourge kept the joke going, "Ha, yeah." Ash Fur laughed and went out hunting and ran into Leaf Pool, who was getting herbs, since she was a medicine cat, "Hey Leaf Pool." Ash Fur greeted, "Hi Ash Fur." Leaf Pool greeted back, "Are you planning on going to the gathering, you and Scourge?" Leaf Pool asked like she heard what Scourge and Ash Fur where just talking about, "Yeah." Ash Fur said catching a rat, "Great.... By the way Tall Star is dead.." Leaf Pool Said, "What!" Ash Fur was shocked, he was alive for so long, "Scourge won't be happy." Ash Fur looked down, from what Ash Fur thought Tall Star was really nice to Scourge, "Yeah." Leaf Pool was looking like she did not like it also, "I should get going." Ash Fur went back to the tree waving his goodbyes to Leaf Pool with his tail, "Hey Scourge..." Ash Fur dropped the mouse at Scourges paws, "T-Tall S-Star is um, hes dead." Ash Fur did not want to never tell Scourge that Tall Star was dead so he thought he might as well got it over with, "What how!" Scourge looked up at A sh Fur, "I don't know Leaf Pool just said he was dead, but you can always see Jake at the gathering." Ash Fur pointed out. Then they ate, then they went to the gathering,"Here we are I guess." Ash Fur picked a place to sit that was out off the trees, "I think i'm going to go see if I can go find my father." Scourge asked kissing Ash Fur on the cheek, "Fine." Ash Fur let him, decides, Jake is Ash Furs family also, Scourge finally found

him in the crowd, "Hey." Scourge said sitting next to him, "Hi... Scourge." Jake said, "You can call me Tiny I don't mind it as much as I used to." Scourge just wanted to comfort his father, "OK." Jake said, after the leaders spoke, Scourge went home with Ash Fur, then they went to sleep.

Holly Leaf....

Scourge woke up the next morning, Scourge seen cuts on the top of his paws, they weren't bleeding or anything, Scourge just couldn't remember how they came to get onto his paws, 'That's strange.....But I have seen worse.' Scourge thought. He looked over to where Ash Fur was sleeping, "Ash Fur do you know where I got th-." Scourge stopped himself when he noticed Ash Fur was not there, he got up and sniffed the air, he fallowed the scent trail, he hunted then continued his search, "Where are you Ashy?" Scourge called out Ash Furs nickname Scourge had for him, thinking somebody would respond but then, "HELP ME! SOMEBODY!" It was Ash Fur! Scourge darted in the direction of Ash Furs voice was, there was a black, Scourge guessed it was a she-cat standing on Ash Fur claws unsheathed, "Nobody is gonna help a murderer like you, not now." The black she- cat taunted, she was about to kill Ash Fur when Scourge leaped on the she-cat. Clawing her shoulder, Scourge grabbed her by the scruff and dragged her to the Thunder Clan camp since she carried there scent, Scourge dropped him near the center of the Thunder Clan camp, "Next time think twice before you go wanting to kill Ash Fur, mouse brain!" Scourge muttered, "Holly Leaf!" Squirrel Flight called running to Holly Leafs side, "What did you do to her?" Squirrel Flight growled, "She tried to kill Ash Fur, luckily I could save him." Scourge explained, "Ash Fur deserves it!" Squirrel Flight shouted, "No he does not! He does not deserve what you put him through! He is not what you think he is! If you were not such a mouse -brain you would see that you nearly drove him to jump in front of a monster! Now can you stop being rude to him and start putting together that the way he is is all your fault now stay away from him fox heart!!" Scourge yelled back then, Holly Leaf finally noticed she was wrong about Ash Fur, "I think I am on Scourge side here." Fire Star called, "Thanks Scourge, I am deeply sorry for what Holly Leaf has done She has betrayed the warrior code. I am glad for what you told me." Fire Star bowed his head, "Its fine, just do **NOT** let her touch Ash Fur again, or go near us." Scourge said, "That sounds reasonable." Fire Star joked, Scourge left, "Stupid Scourge! Defending a murderer!" Holly Leaf got on her

feet, "He is not a murderer Holly Leaf nor is Scourge! Now stop talking about him like that for Star Clans sake!" Fire Star snapped, Holly Leaf walked to the warriors den, "Fire Star you cant talk to her like that you know what Ash Fur did to me! You know what Scourge did! Why do you still trust him after all of that?!" Squirrel Flight growled, "Come to my den, we can talk." Fire Star flicked his tail they walked over there, and entered, "Now explained Fire Star!" Squirrel Flight was mad, Fire Star sighed, " Scourge... Hes my brother, I know that for a fact, I respect his choice and how he wish's he could change his past, I also respect Ash Furs choice to want to change his past. If I was in his paws, I would too." Fire Star said (Back to Ash Fur and Scourge :D) Scourge went to the tree to find Ash Fur already asleep, "I'm sorry Ash Fur if I would have been there sooner Holly Leaf would not have gotten that far." Scourge felt horrible for Ash Fur, "I forgive you, I can never be mad at you." Ash Fur said and lied down, "Thanks Ashy~" Scourge joked, Ash Fur only giggled and blushed then went back to sleep Scourge stayed up a bit but went to sleep not long after.

Amber Star

(Before we start I do wanna say Amber Star is my oc and if you want to use her please contact me via watt pad.) Scourge woke to hear snoring above them, he went out to see what it was he knew it was a cat but could only make out orange, fire like spots, "Hello? Who ever's up there show your self!" Scourge growled, "You don't know who I am do you?" The, she-cat called, "No I don't!" Scourge thought he heard the voice before but where from? The she cat leaped from the tree, "Amber!" Scourge knew who the cat was now! Ember was the best fighter in Blood Clan but Scourge also thought she was the softest out of Blood Clan, "That's right i'm leader of Wind Clan now." Amber Star said, "But I am not the strongest believer in Star Clan. I don't believe in it at all really." Amber Star glanced at the ground, "Hey that's fine, is Jake still in Wind Clan?" Scourge asked, "Yeah hes really sad though...." Amber Star said, "OK, just tell him if he needs anything he he can talk to me or Fire Star, "I can do that for you." Amber star said, "So I went to visit Blood Clan a few moons ago, they were horrible!" Amber Star explained, "I don't care what goes on with them.... Who't there leader now?" Scourge asked begrudgingly 'Is it the pull of my old clan making me asked that or me just being a mouse brain? I think I am gonna go with the mouse brain option." Scourge thought, "Oh that fox dung Bone is leader now." Amber kicked some pebbles once she said that Scourge remembered how strong Amber Star was and still is, no cat in Blood Clan couldn't not agree with that but she had a soft heart along with her amazing claws power, "I still do keep my collar with me though just for battle to look me mean,speaking of those, what happened to yours?" Amber Star questioned, "I had it removed..." At that moment as Scourge said that, "Hey who are you?" Ash Fur stood by Scourge, "Wind Clans new leader, I just smelled Blood Clan scent and I figured I knew who it was,I was right.." Amber Star winked and left but not with out a claw on the ear from Ash Fur, but Ember Star did not bother fighting Ash Fur, "Touch my mate again mouse brain! And I will shred you." Ash Fur called and intertwined his tail with Scourges and went back to the

tree to find a fresh mouse Ash Fur had caught it was plump and it looked really juicy, "Lets eat." Scourge sat down and bit down on a part Ash Fur bit onto and when they took a bite it made them kiss, "I knew that was gonna happen!" Ash Fur said, "Then did you know this was gonna happen?~" Scourge kissed Ash Fur on the muzzle then they both went to sleep.

The battle

Scourge woke to hissing, and walked to it, he seen Amber Star on top of a cat and then she killed the what he guessed was a tom, then Amber Claw looked up, "Father, or should I say Scourge? Are you happy? You told me to live up to your legacy.." Then rustling came from the trees it was another cat there was a gasp, "Y-you, killed him!" The she-cat gasped, "Very well, go get the rest of Wind Clan and prepare for a fight." Amber Star ran to Wind Clan camp, Scourge guessed Jake was gone cause he was not in camp, "Amber Star killed somebody!" The she-cat gasped, Amber Star then put on a Blood Clan collar, "Good work, my daughter." Scourge said from silently, "Blood Clan kill." Amber Star grinned and Blood Clan went to work then Bone had a cat on top of him ready to kill him then Amber Star clawed the cat's stomach, letting Bone get up, "Thanks, Amber." Bone said, "No big deal, now shall we?" Amber flicked her tail to the rest of the battle Bone nodded and Bone and Amber went attacking other cats, soon the whole camp fled to Thunder Clan territory, "Good job Amber." Scourge came out from hiding, "Thanks." Amber nodded then jumped on Tall Rock quickly, "All rouges, loners and outcasts, gather for a meeting!" Amber called, "Now we have a home, we know how to hunt. Now we need to let the other clans know if its a fight they want its a fight they will get! I need Bone and Brick to guard tonight. Snake and Ice, go and hunt for us." She ordered.All the cats picked a den and slept, Amber picked the leaders den, Scourge went back to the den luckily Ash Fur was not up yet, he licked the Blood Clan scent off and went back to sleep, "Morning." Scourge called, "Guess what? Were going to the gathering." Scourge said, "Go without me, I think I want to rest I am really tired lately." Ash Fur licked Scourges cheek, "OK." Scourge agreed, Then later that night he went to the gathering, and instead of Wind Clan it was Blood Clan, with there collars and everything, "What are you doing here? Scourge do you know what this is about!" Misty Star demanded, Scourge shook his head firmly, "We took Wind Clans territory, for are new home." As Amber said that a cat tried to pounce on her, then Bone clawed its side causing

a lot of blood loss, "If somebody tries to attack Amber again, worse will come." Bone hissed, "I think I can fight for my self." Amber laughed, then jumped onto Wind Clans side of the rock, "If your wondering where Wind Clan is, there with Thunder Clan." Fire Star growled at Amber, Scourge left the gathering early, and went to sleep, after him and Ash Fur eating of course.

admitting

Scourge woke up, 'What am I gonna tell Ash Fur?' He thought, what if he asks about the gathering, then Ash Fur woke up, "Morning Scourge~" Ash Fur kissed Scourge on the cheek, "Hey can I tell you.. something?" Scourge's chest felt like 100 claws were digging into his side. "Sure." Ash Fur turned to him, "So you remember Amber Claw?" Scourge asked Ash fur nodded, "Her real name is Amber.." "OK." Ash Fur lied down, "Sh- shes my daughter... P-please don't be mad!" Scourge begged, "Shh how could I be mad at you?" Ash Fur didn't know what a monster Amber was, "She is Blood Clans legacy... Before I died I told her to live up to my legacy. She went to Wind Clan where I am pretty sure her mother lived, I never knew who the mother was she just showed up in Blood Clan one day." Scourge explained, "As long as your alright nothing else matters." Ash Fur wrapped his tail around Scourge's small body. Scourge purred lightly, 'I wonder how her sister is..' Scourge thought, soon after a while they heard hissing, "What was that!" Ash Fur jumped, "I'm gonna guess that Amber is starting a border fight." Scourge sighed. "Just stay here so your safe, I will go check it out." Scourge padded away, as silently as possible, Scourge found the fight it consisted of Bone, Amber, Feather (Amber's sister *cough cough*) Bracken Fur, and Thorn Claw. "Ah mouse d-" Scourge was cut off by a hiss, "What do you have to do with this!" Bright Heart was behind him, "Nothing! Do you think I still have my Blood Clan collar on! No I don't" Scourge said behind barred teeth, "I can see that I still have one eye." Bright Heart sounded relatively calm, "Deal with this yourself, oh and don't come crying to me when you lose to my clan." Scourge said with a evil tone, "Wait what?!" Bright Heart flipped her head around to see Scourge walking off, "What was that all about?" Ash Fur asked, "It was a battle against a Blood Clan 'patrol' and a Thunder Clan patrol." Scourge lied down, "Well I got you some prey while you were out." Ash Fur gave him a mouse. "Thank you." Scourge and Ash Fur ate then slept.

Who Are You?!

"Morning Ashy." Scourge woke up as he said that, "Morning." Ash Fur yawned, "I am gonna go hunt, I think i'm going to go to Blood Clan territory they wouldn't mind anyway." Scourge left the tree. After the ate they went to sleep. They were awoken by hissing, "Ugh Amber not again!" Scourge left the tree, "Scourge is not your father!" A cat said when Scourge walked by, "I'm your mother." The she cat said again, "Who are you?" Scourge stood by Amber, "My name is Light Heart!" The she cat said, "I am Amber's mom." She looked at Scourge, "So your'e the one who abused my daughter and her sister! You disgusting mouse brain!" Scourge growled, "I left her in the forest because Star Clan told me she was a curse to Thunder Clan!" Light Heart fought back, "Star Clan!?! Over your own Daughter's?! YOU SICK BITCH!" Scourge couldn't help cussing, "Excuse me?!" Light Heart took a step back, "Scourge is more of a father to me then that mate of yours would ever be!" Amber unsheathed her claws, "Can I kill her now?" Amber asked, "No, this is my thing to deal with." Scourge said, "Now what clan are you in, Light Heart?" Scourge grinned, "Thunder clan.." Light heart responded, "How could you raise my daughter when you were dead?" Light Heart asked, "Do you always ask so many questions?" Scourge laughed, Light Heart pounced on Scourge with claws unsheathed, "Scourge!" Ash Fur ran up and tackled Light Heart, "You OK?" Ash Fur licked a cut on Scourge's cheek, "Yeah, that cat just was saying she was Amber's mom, stupid bitch abused em and abandoned them because of Star Clan!" Scourge cursed again, "I cant believe I left my daughter to be raised by gay cats! That's against the warrior code! I hope you burn in the Dark Forest!!" Light Heart growled, Amber sank her claws into Light Heart's neck, "Say that again and you will be dead, and I will kill you myself."Amber laughed, she let Light Heart go and licked her claws of the blood she had on them, "You should have saved some of the fighting for me Amber." Bone stood at her side, "Well I still love you so you'll get some next tim-." Amber was cut off, "What happened to you your'e in love with a killer and your'e a killer yourself, what has my daughter become?" Light Heart cried, "Shes not your

daughter!" Bone clawed her chest open, killing her, "Told you would get some of the action next time, now lets head back to Blood Clan before we got the whole of Thunder Clan chasing us." Amber and the rest of Blood Clan went back to camp then Ash Fur and Scourge went home and slept, the next day Fire Star showed up, "Is there something your'e not telling me?" He growled, "One of the Blood Clan cats killed one of my best warriors." He explained, "That was my daughter, Amber." Scourge said, "WHAT?! You and Ash Fur have a kid?!" Fire Star stepped back, "No, I found her in Blood Clan territory when I was still there leader I also found her sister, Feather. That cat she killed was there mother she abused them and abandoned the two kits." Scourge growled, "Ugh stupid mouse brain!" Scourge growled again at the thought of Light Heart, "She will burn in the Dark forest then." Fire Star said, "Blood Clan does not believe in Star Clan or the Dark forest." Scourge explained almost laughing, "Bye and don't be mad if Amber kills you next." Scourge laughed and went back to the tree and slept.
----------You guys got a long chapter your'e welcome! :D

Finally Some Time Alone..

Ash fur woke up, 'I hope nothing is gonna happen today, I just want to spend time with Scourge today.' Ash Fur thought, "Morning Ash fur." Scourge started to walk out of the tree, "Let me hunt today!" Ash fur hopped up, "Oh OK." Scourge sat back down, "..." Ash fur got a shrew. He went back to the tree and sat with Scourge, "Hey Scourge? Can we spend some time together? Just for today..." Ash fur sat down and the back of the hollow tree, "Of course! Why didn't you ask sooner?" Scourge licked Ash Furs muzzle, "I love you." Ash Fur purred. Scourge and Ash Fur lied next to each other, Then Ash Fur felt something against his neck, Scourge was kissing his neck, Ash Fur moaned a bit. Ash Fur pinned Scourge down they started kissing then Ash Fur felt Scourge using his tongue when they kissed Ash Fur moaned. And Ash Fur started to use his tongue also. They both moaned, "Oh Ash Fur~" Scourge moaned, Ash Fur started to kiss harder. After doing that for a while they stopped and breathed, "Did you like it?~" Ash Fur purred, Scourge nodded Ash Fur got off him, "I love you Ashy~" Scourge kissed Ash Fur's ear. Ash Fur blushed, "I love you too." Ash Fur lied on Scourge's front paw's and slept, then he heard light moaning when they were both asleep, "Scourge?" Ash Fur opened his eyes, then he seen that he was kissing Scourge in the night, Ash Fur's eyes softened, Ash Fur continued then went back to sleep. Then when Ash Fur woke up Scourge was still asleep and Ash Fur kissed his ear, "Morning Ashy." Scourge opened his eyes, "Morning babe." Ash Fur just heard what he said, "Aw your'e so cute." Scourge purred, then Scourge started licking Ash Fur's pelt, "Your'e a mess." Scourge said, Ash Fur moaned and pulled Scourge closer and they kissed each other roughly. They were both moaning, "Oh Scourge!~" Ash Fur moaned, they were kissing with tongue's now. "Mmm.." Scourge moaned, Ash Fur gave Scourge a final kiss, "Your'e the best kisser ever you know that right?" Scourge got up, "You tell me that all the time babe." Ash Fur laughed, they ate a vole and slept.

Breeze Pelt and Jay Feather

Ash Fur went hunting in Thunder Clan territory and saw Jay Feather walk to him, "This is gonna be dumb but, can I ask you for advice?" Jay Feather said in his normal rude tone, "What is it?" Ash Fur asked, "So you know how Breeze Pelt is my half brother?" Ash Fur listened and nodded, "Is it bad that I kinda have a crush on him?" Jay Feather had a tsudere voice when he said that, "That never stopped Gray Stripes parents did it?" Ash Fur asked. Jay Feather stared at him with his blind eyes, "I guess not really, but I don't think Breeze pelt thinks the same. He thinks i'm a blind mole for all I know." What he said might be true but..., "Well you never know until you find out, if you want me to come with you to the Wind Clan border I wouldn't mind." Ash Fur said, Jay Feather looked like he was pondering what Ash Fur said, "No, I can manage." Jay Feather headed to the border of Thunder Clan and Wind Clan (This is about Jay Feather and Breeze Pelt) Jay Feather sat at the border and sniffed the air and called out for Breeze Pelt in his direction, "What do you want?" Breeze Pelt was rude as Jay Feather expected, "Uh.. You can come over the border.. I just want to talk." To Breeze Pelt's surprise Jay Feathers rude attitude was gone, "OK what is it then?" Breeze Pelt stepped over the border, "I know this is wrong.. And I know your'e say no but..." Jay Feather sighed, "I like you..." Jay Feather put his head down, Breeze Pelt used his paw to pick up Jay Feather's face, "I didn't know you would be fine with it, but.. I like you too." Breeze Pelt petted Jay Feathers cheek with his paw that was already on his face, Jay Feather purred to Breeze Pelts surprise, "S-sorry.." Jay Feather shyly wrapped his tail around Breeze Pelt, it was getting cold, "I should go home. But can I meet you here soon?" Breeze Pelt rested his head of Jay Feather's shoulder. Jay Feather nodded and went back to camp after washing on Breeze Pelts scent.

Sorry this is kinda short :/

The Final

"I wonder how Jay and Breeze are?" Ash Fur and I were talking while eating, "Not sure, good I hope." Scourge said. Once they were done Ash Fur went on a walk. He hummed then ran into Squirrel Flight,"Ah shit..." I growled to myself, "Where do you think your going into Thunder Clan territory?" Squirrel Flight hissed at him, "Uh Me and Scourge are aloud in all the territory's." Ash Fur sassed, "Well you missed the gathering last night. Now you will be killed on sight." She had Bramble Claw behind her so, Ash Fur kicked her over and clawed her chest open then he did the same to Bramble Claw. Then he walked away, "What happened to you?" Scourge asked, "Sounds like were not aloud in clan territory according to Squirrel Flight and Bramble Claw so I killed both of them to show Thunder Clan not to fuck with us." Ash Fur explained Scourge licked his cheek and kissed him, "Heh I love you." Scourge licked the blood from Ash Fur, "I love you too, but I don't think we can stay in this tree its in clan territory. So we might have to move." Ash Fur pointed out, "Don't worry we can always stay in Blood Clan but I ain't in a rush." Scourge and Ash Fur chuckled, "So shall we get out of here tomorrow?" Ash Fur cuddled into Scourge's neck, "If that's what you think is best." Scourge kissed Ash Fur's cheek. So they moved the next day Ash Fur was given the name Ash. They lived there
